## Fundamental British Values

### Democracy:

- Encourage children to see their role in the bigger picture, to know their views count, value each other's views and values and talk about their feelings, for example when they do or do not need help, e.g. vote with a show of hands.
- Support the decisions that children make and provide activities that involve turn-taking, sharing and collaboration. Children should be given opportunities to develop enquiring minds in an atmosphere where questions are valued.

### Law:

- Ensure that children understand their own and others' behaviour and its consequences, and learn to distinguish right from wrong.
- Collaborate with children to create the rules and the codes of behaviour, for example, to agree the rules about tidying up and ensure that all children understand rules apply to everyone.

### Individual Liberty:

- Help children develop a positive sense of themselves. Provide opportunities for children to develop their self-knowledge, self-esteem and increase their confidence in their own abilities
- Encourage a range of experiences that allow children to explore the language of feelings and responsibility, reflect on their differences and understand we are free to have different opinions

### Respect and Tolerance:

- Create an ethos of inclusivity and tolerance where views, faiths, cultures and races are valued and children are engaged with the wider community.
- Discuss similarities and differences between themselves and others and among families, faiths, communities, cultures and traditions and share and discuss practices, celebrations and experiences.
- Explain the importance of tolerant behaviours such as sharing and respecting other's opinions.
- Promote diverse attitudes and challenge stereotypes

## Co-op Values

### Democracy

- Everyone is equal.

### Equality

- Our Co-op Academy gives all an opportunity to get involved.

### Equity

### Solidarity
