

# Woodlands Weekly

20<sup>th</sup> April

## Welcome

Welcome back, we hope everyone had a wonderful Easter.

## Co-op Academy Woodlands

We're still the same great Team Woodlands, just now with a new look and name: Co-op Academy Woodlands. We've kicked off with fantastic new changes, including new signs around school and a new logo. These updates are happening all across the Co-op Academies Trust. All our sister academies look super with our new matching logos and names. It symbolises just how closely we work with each other and the link to our sponsor, The Co-op.

You'll see our old logo from time to time, but we're updating everything over the coming months.

This week, we're introducing this new look Woodlands Weekly. It's a little different, but it's still got all the same important information and updates. We'd really like to hear your thoughts, you can email us at: [weekly@woodlands.coop](mailto:weekly@woodlands.coop).

## Green Fingers

Year 1 have started their exciting new Dimensions topic, 'How does your garden grow?'. They've been planting their very own bean plants this week. Everyone did a great job following the steps needed to get the right amount of compost, seeds and water. We've put in name tags so we can see whose has grown the most!

## Phonics Fun

We recently held some great phonics sessions with our reception and nursery parents and carers, with expert advice from Miss Lewis our Assistant Head. We had to reschedule Nursery JG to this week because of the snow. Thank you to all our fantastic parents and carers, it was a great turn out and we know this information will really help you, to help your child.

## Attendance

Our attendance fun days were really successful, all our children had a really good time. With a massive bouncy castle in the hall and lots of other activities for every class, the rain couldn't stop us!

It's time to get saving for the next event, each full week of attendance will earn more towards the next attendance day.
