27th April

Welcome

Welcome to this week's Woodlands Weekly. We'd love to know what you think of our new look or if you have any suggestions: weekly@woodlands.coop

Our New Website

We've more exciting new changes for Co-op Academy Woodlands. We're proud to have launched our brand-new website. It's a great way to check out stories of our recent events, find upcoming dates and events, as well as any information you'll need. Check it out: woodlands.coop

Nursery Places

Nursery helps your child find friends, build their confidence and start their learning journey. We've got places available for our fantastic nursery. Pop in, call or find out more: woodlands.coop/nursery

Yorkshire Wildlife Park

This week, our nursery children went on a trip to Yorkshire Wildlife Park. With lots to explore, we made sure to visit as many of the animals as we could. Giraffes, lions, meerkats, polar bears and more. We all loved getting up-close with these different animals from all over the world.

The day's excitement left everyone a little worn out, luckily there was time to nap on the coach journey home. A very special thank you to our parents and carers who could come along to help during the trip.

Arla Visit

You may have spotted the giant Arla inflatable classroom that was outside year 3 this week. The fantastic people from Arla visited us to teach us all about dairy. We found out which foods contain dairy, the different types of milk and how they taste, what cows eat and much more. With lots of activities, everyone was really entertained. Our favourite activity, however, was learning all about the cows digestive system. Using a model of a cow, we could see the food move through the four stomachs and in the end you had to catch the poo! Thank you to everyone at Arla for the super event.

Attendance

It's time to get saving for the next Attendance Fun Day, each full week of attendance will earn more towards the next event.
