

## Welcome

Welcome to this week's Woodlands Weekly. We'd love your feedback of our weekly newsletter, let us know what you think: [weekly@woodlands.coop](mailto:weekly@woodlands.coop)

## Training Day

Monday 1<sup>st</sup> October

We're closed for a training day

Tuesday 2<sup>nd</sup> October

We're back

## Arla

Our friends from Arla and their giant inflatable classroom visited us this week. They took us on a dairy journey, there were lots of different activities. To start, we found how Arla helps keep healthy, happy cows that produce great milk. They had an amazing model where we had to work together to find out how the cow's four different stomachs work. Everyone's favourite activity however, was the one that included tasting lots of different types of milk! We tried and compared these different choices of milk and found out how they've been made safe to drink. Thank you to the wonderful people from Arla.

## Building Networks

Year 6 in ICT have been investigating the world of computer networking. This week they've built their own paper-based network. Acting as switches and other parts of the network, they've sent multiple paper messages across the classroom. Using the information on each paper message, they had to make sure they went to the right destinations and got pieced back together correctly.

## Macmillan Coffee Morning

Thursday this week, we took part in the Macmillan Coffee Morning. Macmillan is a wonderful charity providing practical, medical and financial support as well as a push for better cancer care. Thank you to our parents and carers, the coffee morning was a great success, raising the super total of £135!

## Attendance

Children have already started collecting their tokens for the next Attendance Fun Day. Each full week of attendance, earns them more towards the next event. Watch this space.

If your child will be absent you can text: 07860034216

### Upcoming Events

- 1<sup>st</sup> October– Closed for a training day
