## Dairy Farm

Year 6 were invited to visit one of Arla's dairy farms in Warrington. There they met a farmer who told them all about the three miracles of milk production!

Arla is a co-operative just like our sponsors the Co-op, that means that their farmers get a fair price for their milk and their cows have a better quality of life.

We got to have a look around the milking sheds to see where the cows get milked and where they sleep when it gets very cold outside.

Year 6 will be visiting the factory next week to see the last step of milk's journey before it gets to our fridges at home.

## Lost Socks

Can you believe it, Miss Goodall and Mrs Gulbahar lost all their socks! Nursery have searched high and low, finding lots of socks all around. After the hunt for the socks, we returned inside to pair them by matching their patterns and colours. Recognising these differences are really important skills, they did a great job, pairing them quicker than we could take pictures!

## High School Places

Have you applied for your child's high school place? If they're in year 6 now, you need to apply for their place before the 31<sup>st</sup> October.
