Polar Bears

This week, reception have found out all about polar bears. Using their ICT skills, they've expertly used iPads and QR codes to find out lots of facts.

With a special app, they pointed their iPad at the QR code to decode it.

Everyone was amazed when the strange picture, magically took them to one of our fact sheets about polar bears.

The children who'd worked out how to use the QR codes then showed the other children in the class. They've been super teachers.

Each fact sheet had a tricky sentence to read but they did a great job reading them out. It was definitely an exciting way to find out all about polar bears!

Just a Drop

Wednesday was a super day, everyone looked really great in their outfits.

For this special non-uniform day, we asked for a donation of a chocolate bar. It was a great success, everyone was so generous that we had huge Co-op bags full with more chocolate than anyone expected! Thank you to everyone for the really kind donations.

Today, we've been selling these bars to raise money for Just a Drop. This wonderful charity helps get clean, safe water to people in places where water is really inaccessible. We'll let you know how the sale went.
